

# BEADED CANDY CANE

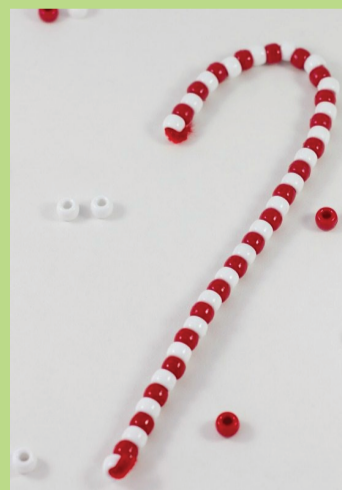

## What you need:

Green or Red Pipecleaners, Red and White Beads.

## How to do it:

1. Put the first bead onto the pipe cleaner and twist to secure.
2. Thread the rest of the beads onto the pipe cleaner, alternating red and white.
3. Bend the pipe cleaner to make the candy cane shape
4. Secure the last bead by twisting the pipe cleaner around it.
