CREATING YOUR OWN QR CODE

Want to create QR code that directly links to your fundraising page? Follow the steps below!

1. Navigate to your fundraising page (while logged out)

2. Copy your URL

3. Navigate to: https://www.the-qrcode-generator.com/

4. Paste the URL into the URL section

5. Click 'Save', name your file and save to computer.

Use QR code on your posters, social media, anywhere to help people reach your fundraising page

6.
