

CONFETTI CHRISTMAS CARDS

What you need:

Folded Card Paper, Christmas Tape, Confetti, Scissors, Plastic Pockets.

How to do it:

1. Cut out a circle or square on the front of your blank card.
2. Cut out a section of plastic packaging to be 2cm wider than the shape and double the length. Tape up all the sides except one.
3. Pour confetti into the plastic pocket and seal the top with tape.
4. Tape the plastic pocket to the inside of your card.
5. Using a marker, trace around the shape and add in some fun drawings and messages to your card.
