

# CHRISTMAS CRACKERS

## What you need:

Ribbon, Wrapping Paper, Cracker Snaps, Cardboard Rolls, Scissors, Glue

## How to do it:

1. Cut a piece of wrapping paper to the length of 3 cardboard rolls and wide enough to wrap around once.
2. Glue a cracker snap down the centre of the paper lengthwise.
3. Place a cardboard roll in the centre of the paper and put a line of glue on the roll. Roll up the paper around the cardboard roll and seal in place.
4. Fill the centre with whatever prize you choose.
5. Twist the end of the cracker then tie a ribbon around. Do the same with the other end.
