

HANGING LANTERNS

What you need:

Square Christmas Paper, Glue, Scissors, Ruler

How to do it:

1. Fold your square piece of paper in half and rule a line 1.5cm in from the loose edges.
2. Rule lines 1cm apart from the fold to the previously drawn line.
Cut along the lines.
3. Open out the paper and hold it with the cuts running vertically. Glue the two sides together and let dry.
4. Cut a strip of matching paper about 13cm long. Glue to the inside of the top of the lantern. Let dry.
